PROFESSIONAL PROFILE

IT engineer with 7+ years of enterprise experience across infrastructure, cloud, systems administration and full-stack development. Proven track record delivering production environments for mid-size organisations — from Active Directory and M365 tenants to AI-powered SaaS platforms. Comfortable owning projects end-to-end: architecture, implementation and ongoing operations. CCNA-certified. English C1 · German B2. EU national with Swiss Permit B — no sponsorship required.

PROFESSIONAL EXPERIENCE

D'Namar GmbH

2023–Present · Basel, CH

Freelance · IT Infrastructure & Web Development

- Designed and deployed trilingual corporate website (dnamar.ch) — 100/100 Lighthouse performance score
- Architected full M365 tenant: Entra ID, Intune MDM, Autopilot device enrolment (~15 endpoints)
- Stack: Next.js · Supabase · TypeScript · Tailwind CSS · Vercel — zero downtime since go-live

Lutelco Facilities

2021–2023 · Spain

Technical Support Specialist & Systems Administrator

- 2nd/3rd Level support for ~200 users across 3 sites; avg. resolution time under 4 hours
- Administered Active Directory (~180 accounts), Group Policy and role-based access control
- Managed Windows Server 2019 infrastructure: file services, DNS, DHCP and backup routines
- Reduced recurring ticket volume by ~30% through structured documentation and knowledge base

Nationale Nederlanden Bank

2019–2021 · Spain

Help Desk Support Specialist

- 1st Level ITIL Service Desk handling ~40 tickets/day — incident, request and change management
- Microsoft 365 user support: accounts, licences, MFA and remote access troubleshooting
- Achieved consistent SLA compliance above 95%; escalation lead for complex infrastructure incidents

RSC – Redes, Sistemas y Comunicacion

2017–2019 · Spain

Systems Engineer

- Operated and maintained network and server infrastructure for SME clients (~10–50 users each)
- Configured switches, VLANs, VPN tunnels and firewall rules across multi-site environments
- Performed fault monitoring, root-cause analysis and preventive maintenance reporting

Deinta Seguridad

2013–2014 · Spain

Technical Customer Support

- Remote technical support and field technician coordination for security and comms systems

Vodafone

2010–2012 · Spain

Fiber Optic Technician

- Fiber optic and structured cabling installation for residential and data centre environments

OWN PROJECTS (PRODUCTION)
